| Half a lemon                     | 1/2 cup of water |
| Teaspoon                         | Bowl             |
| Cotton bud                       | White paper      |
| Lamp or other type of light bulb |                  |

## Here's what to do

1. Carefully cut the lemon in half—ask an adult for help with this one.

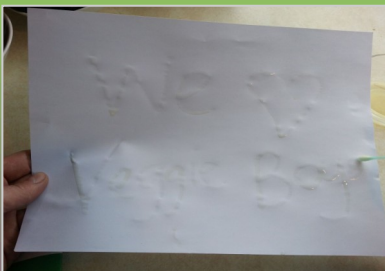

2. Squeeze some lemon juice into a bowl and add a few drops of water

3. Mix the water and lemon juice with the spoon

4. Dip the cotton bud into the mixture and write a message on the paper

5. Wait for the juice to dry so that it becomes completely invisible

6. When you are ready to read your secret message or show it to someone else, heat the paper by holding it close to a light bulb.
